303 South Western Street
Lamparas, Texas 76550
512-556-2224

Dear Friends of Lamparas County,

The purpose of the Lamparas County Museum Foundation is to preserve and display the unique historical heritage and culture of Lamparas County through the establishment of the historical museum. Our museum is a non-profit organization established in 1976 and managed by our local volunteers.

We invite you to become a Supporter of Lamparas County Museum so that we can continue preserving the history of our county. Our renovations are complete, and continuing improvements are ahead. Your financial support is needed for our continued progress. If you would like to contribute your time and talents to museum, your help would be very appreciated.
